

**Join us to learn about Vein Clinics of America!**

**Thursday, July 18, 2013  
3:00 pm - 5:00 pm**

**Event Location:**

**Ruff Plastic Surgery  
2440 M St NW, Suite 200  
Washington, D.C. 20037**

**Please RSVP by July 16th  
to Susy at 202.785.4187**

**Light refreshments will be served**

Come meet our staff and learn about treatment options offered at the Chevy Chase network location. Mehru Master Sonde, M.D., F.A.C.P, will be present to share information and answer your questions about varicose and spider veins.

**We will also conduct FREE quick scans. Restrictions apply.**

Varicose and spider veins can be uncomfortable.

Plus, they may get worse if left untreated.

Due to legal constraints, free scans cannot be extended to Medicare or Medicaid beneficiaries or other recipients of federal or state health care benefit programs. The individual pictured in this advertisement is a professional model and is not a patient of VCA and has not received professional services at a VCA network office.
